

PRIVACY

PRO DADT

PRO REPEAL

Open gays invade heterosexual privacy

VS

Troops give up privacy in other areas

and

DADT does not protect privacy

Heterosexuals more comfortable if they don't know

VS

Some gays are open despite DADT

and

Even where gays are closeted, straights know they are present

but

Repeal does not cause mass coming out

therefore

Therefore heterosexuals do know they serve with gays

Heterosexuals should not be forced to shower with gays

VS

Most use single-stall showers anyway

Heterosexuals should not be forced to share quarters with gays

VS

Most heterosexuals are comfortable with gays
