

MORALITY

PRO DADT

PRO REPEAL

Civil military gap should not grow too wide

Homosexuality is immoral — and — Repealing DADT means endorsing homosexuality

Equal treatment should be the government's default position — and — DADT restricts individual action and speech; constitutional rights should be the government's default position

therefore
DADT should honor this moral outlook and should not be lifted

but —> It is immoral to discriminate
Policy should not be based on individual moral beliefs

DADT forces service members to lie

therefore
In some cases morality should curb liberty

DADT reflects American values and should not be lifted

VS

DADT undermines American values and should be repealed
