4000 DEFENSE PENTAGON
WASHINGTON, D.C. 20301-4000

JUN 29 2005

The Honorable Martin T. Meehan
U. S. House of Representatives
Washington, DC 20515

Dear Representative Meehan,

This letter responds to the three questions in your May 20, 2005, correspondence regarding the Department of Defense "Don't Ask, Don't Tell" (DADT) discharge policy.

- Question 1 asked for the pay grade, occupation, branch of Service and length of service for each of the 136 officers discharged under DADT between Fiscal Years 1994 through 2003. Our data show there were 137 warrant and commissioned officers discharged during these ten fiscal years. These data are displayed at attachment 1.
- Question 2 addressed the pay grade, occupation, and branch of Service and length of service for each Service member serving in a medical or health care occupation discharged under DADT over the same time period. These data can be found at attachment 2.
- Question 3 asked for the "Financial Management Structure" for each Military Service from Fiscal Years 1994 through 2003. Unfortunately, I am uncertain what this term means and request you clarify. I'll be happy to provide the information upon receipt of your response.

I trust this information is responsive to your inquiry.

Sincerely,

David S. C. Chu
